GENUINE LEATHER PATCHES

YOUR CUSTOM DESIGN ON GENUINE LEATHER

Designs are laser-etched into leather to enhance your hats, bags, and jackets. In this process, leather is burned with the laser and is permanently engraved. As a natural product that is truly authentic, variations in color are part of the natural beauty and uniqueness of the leather. Every piece is different, therefore irregularities in the consistency and depth of the color are expected.

Made in St Louis, Missouri USA

Leather	1.01-1.50"	1.51-2.00"	2.01-2.50"	2.51-3.00"	3.01-3.50"	3.51-4.00"	4.01-4.50"
